Examiner's Statement of Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record does not, alone or in combination, disclose analyzing the response to determine the presence or absence of a hydrocarbon-containing reservoir; moving the receiver to another location along a path, whereby the path taken by the receiver in moving from location to location is being determined by the signal characteristics of previously detected EM wave field responses; and repeating the steps c-e.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bot LeDinh whose telephone number is 5712722231. The examiner can normally be reached on Maxiflex.
